Rashid Gazzali receiving the memento of honour presented by AFASM, Tamilnadu from IPS Officer, R. Sudhakar.

People and Organisations Pour in to Greet New Syndicate Member of BU

As a new success story is being added; various institutions, trusts, communities and politicians came to congratulate the managing director of Nilgiri College of Arts and Science, Mr. Rashid Gazzali who has been recently elected as the Syndicate Member of Bharathiar University. People from different walks of life flooded with congratulatory wishes for the newly elected Syndicate Member, from the educational in-

stitutions that he had studied, Erumad; where he had worked before since now to SIGN institute, Nilgiri College and the ASFASM (Association of Self Financing Arts, Science and Management Colleges) Tamilnadu, that he has been representing now, bestowed their greetings and wishes with their direct presence at different places honoured with congratulation ceremony.

Dr. A.P.J Abdul Kalam Talent Search Examination; Two of them Whacked the Lion's Share

Of the 1000 students who appeared for the Dr.APJ Abdul Kalam scholarship examination, 56 students have been qualified for scholarship. Srikanth.S from GHSS Ambalamoola and Adhil Jinan from WOVHSS Muttil both shared the first rank. Twenty of them have shared the first five ranks. Those students who have qualified in the scholarship exam

will be rewarded with Nilgiri College higher education benefit. A scholarship of Rs.30 lakh awaits the winners. Unlike regular exams, which are usually a mix of descriptive and brief questions, the exam were conducted in the MCQ format where students had to answer 100 questions in 90 minutes.

Green Positive Mission;

Call for a Great Crop Festival

Nilgiri college to seeding its Green Positive Mission, which was being launched during the COVID-19 pandemic. Over the past three years, college has been steadily yielding a great amount of harvest every year. This mission has been launched with the objective to cultivate paddy and not just about planting, which is also linked to support and foster unity of our faculties and students. With the great hold up of team spirit, we have successfully reaped 7600 kilo rice in 2020, 8000 kilo rice in 2021, and this year we target 10000 kilo rice to

be yielded. The project was being initially launched during the period of COVID-19 pandemic. The students, staff, faculties and neighbours have actively supported the same. All barren places across the campus were fruitfully used for various seasonal crops, vegetable farming and banana plantation. The yield from crops is being used as rice at the college canteen and delivered as gift packs to the community too. While getting back into offline classes we were getting into the field to reap a great harvest.

Unique story of our college. Hopefully, to reap a great harvest: the entire team of Nilgiri College is participating in paddy cultivation.

Faculty Development Programme being held to Aid and Abet the New Wave

A four days Faculty Development Programme is to be conducted at Nilgiri College campus for faculties in the second week of August. The quality of teachers and faculty members will decide the quality of the students and thereby the next generation manpower. The program will be hosted with the vision in empowering the faculties to get into creative mentoring and follow 'learner-centric approach'.

the concept, "STAR – Set To Augment Result- Capacity Building for faculty members". Where the main objective is to enhance the English language at personal, professional and teaching levels of faculties.

Students back to Nilgiri for the New Academic Year 2022-2023
